Note From the President

By Terry Hibbett

Happy New Year everyone. Hope each of you had a very Merry Christmas and a Happy and Safe New Year. I can't believe that it is already 2013. Seems just like yesterday we were all worried about everything crashing due to the year 2000 coming along.

I'm looking forward to the January meeting to see if any of our members received any cool VW items for Christmas. If you did and you can, please bring them to the meeting and show the rest of

us what VW item old Santa left you.

I'm also looking forward to another great year with this Club. You know next month we will be celebrating our 24th year as a Club. I think that is a great feat to be around that long. Hoping we will have another 24 great years ahead of us.

Until next time, drive your VW's, "drive em, don't hide em" and show your colors.

Terry

A Few Happenings—by Terry Hibbett

On January 19th and 20th is the Nashville Auto Fest Car Show held at the Tennessee State Fairground. This is a yearly car show put on by a group from the Bowling Green area (Corvette folks). I don't know the cost to register if you are showing a car but the admission as a spectator is \$12.00 per person.

Also on February 3rd is the Annual Stones River AACA Swap Meet also held at the Tennessee State Fairground. This is not a car show but in the past they have had a few of their Club cars on display. This is one the the largest Swap Meets you will find around the Nashville area. The hours are from 6:30 am to 3:30 pm and the cost of admission is \$5.00

I usually go to this Swap Meet and you can find all sorts of things there, even a few VW items.

Check out next months newsletter for more information on upcoming Swap Meets.

Meetings are held 3rd Monday of each month, 7:00 PM at the Piccadilly in Nashville.

Upcoming meeting dates:

◆ January 21

◆ February 18

2013 First Car Show - by Terry Hibbett

Troy and I have just returned from the first car show of 2013. It was the 2nd Annual Tennessee Motorama Car Show held in Murfreesboro at the Mid-TN Expo Center.

It was really more of a swap meet than a car show. Don't know the number of cars showing but I would guess around 30 or so.

The swap meet was pretty large although I didn't see any VW stuff. It was a 2 day show held indoors and it was a nice day to just get out of the house. Lots of vendors there with not only parts but also T-shirts, hats, decals, etc.

Maybe next year, we should fill the place up with VW's and have something to do in the winter months. Let's not forget about this show next year.

2013 Club Events - by Terry Hibbett

I really didn't see a need to have a Officers meeting yet as I knew there wasn't anything of interest (as far as car related events) going on. I thought we would give all the Officers a rest from all the Holiday activities. Don't worry, we will get started soon and you won't miss anything that,s happening.

One of our agenda items for the January meeting next week will be to discuss what people would like to do in 2013. We will have a list of the events for the past 3 years to help get some ideas. Please try to think of what new items you would like to try, and what old events we should do again, and bring those ideas to the meeting.

Of course we will have our Annual Birthday Bash next month. No date set yet but we will let you know in next month's newsletter when and where.
