Note From the President

By Terry Hibbett

Seems as if the cold weather has left us but now we are hit with rain. Seems as if we can't get away from the weather. As they always say, there is nothing you can do about the weather. That is so true and especially if you drive a VW. Its too hot, too cold, its raining, its snowing, always something with the weather.

Anyway we won't let the weather dampen our spirits. We still love our VW's, rain or shine.

All of the cruise in's have

started now so get out and enjoy one on a Friday or Saturday night. You don't have to wait until the Club is attending one, just go out and have some fun.

Hope everyone will enjoy the summer and in doing so drive your VW's.

Until next time, drive "em", don't hide "em".

Terry

Club Picnic

The annual club picnic has been put on hold until we can find the right time that most of our members can attend. We had planned on having it in June but some of our active members could not attend so we will wait until a later date to plan it. It may even be in the early fall as many folks will be on vacation during the summer months.

We want to have a picnic but we also want as many members to attend as possible.

Another date will be decided soon and will be published in the newsletter and told about at the meeting.

Meeting Dates

Meetings are held 3rd Monday of each month, 7:00 PM at the Piccadilly in Nashville.

Upcoming meeting dates:

◆ June 17

◆ July 15

Effingham FunFest by Terry Hibbett

I'm sure you have all heard the song "Rainy night in Georgia", well it was a rainy weekend in Effingham.

The Hibbett's and the Gober's attended the annual "FunFest" in Effingham, Illinois put on by the fine folks at Mid-America. But the weekend was wet.

We got there on Friday and it had rained big time Thursday. There was water standing everywhere.

The rain had stopped and the cruise was on for Friday afternoon plus the downtown gathering. Lots of fun and lots of cars around the square.

It rained most of Friday night plus was raining Saturday morning as we awoke. We went out to Mid-America with rain coats and umbrellas and stayed until around noon. After standing in water and fighting the rain we decided to come on home and not stay the rest of the day or for Sunday's events.

Although it was wet we still enjoyed our trip to Effingham as always. The folks at Mid-America are always the number one host.

If you have never been to a "funfest" you are missing a great all VW time.

Flat Rock Festival

On May 25 the club participated in the Flat Rock Arts Festival. The car show part of the festival was not as organized this year as it has been in the past. We had a good showing with 7 cars and our string of pop-up tents. There were a lot of interesting cars, but many of them left right after lunch. As usual we had a lot of interest shown in our vehicles.
